

Right Angle HDMI® Male to Female Adaptor 04MM-HDC01

Matchmaster

For the Best

The 04MM-HDC01 is a right-angled female to male standard HDMI® adaptor. The HDC01 makes it easy to install your HDMI® cables in locations such as behind wall-mounted TV's or inside entertainment cabinets where you may have limited space for your cables bend radius.

Features and Benefits

- » Downward facing right angle for tight or confined spaces
- » Protrudes by 26mm from a connected device
- » Gold plated HDMI® connectors
- » Full HD 1080p pass-through
- » Most convenient solution for HDMI® port accessibility
- » Eliminate strain on your cables and connectors
