32-65″ 35kg Ultra Slim Rail Mount TV Bracket (Version 2)

04MM-TB03

The TB03 Ultra-Slim TV Wall Mount delivers a premium, near-flush installation that positions your TV just 18mm from the wall for a sleek, modern appearance. Designed to suit TVs from 32″ to 65″, it combines exceptional strength with installer-friendly features, including a magnetic auto-locking system, quick-release spring locks, and post-installation level adjustment for perfect positioning every time. Four-times strength tested and rated to support up to 35kg, the TB03 provides secure, reliable mounting while maintaining an ultra-discreet profile.

Features and Benefits

- Ultra-Slim Profile – Delivers a clean, flush-to-wall finish.
- Wide TV Compatibility – Fits TVs from 32″ to 65″.
- 35kg Load Capacity, 4x Strength Tested – Provides secure, reliable support with proven durability.
- Precision Installation Adjustments – Built-in bubble level, post-installation levelling, and lateral shift adjustment ensure perfect TV positioning.
- Auto-Locking Design – Securely locks the TV into place.
- Quick-Release Mechanism – Fast access for servicing and cable changes.
