

32-55" 75kg Full Wall Plate Flush Mount  
TV Bracket  
04MM-TB05

The 04MM-TB05 is an excellent choice for people who have small to medium TVs that need flush mounting. The TB05 is a flush wall mount featuring a full wall back plate to allow secure mounting for your peace of mind and is capable of supporting TVs anywhere from 32 inches to 50 inches in size. In addition, the TB05 features an impressive 75kg load rating that has been strength tested to a minimum of three times load capacity. Compatible with all standard VESA mounting patterns up to a maximum of 400x400.
