

37-70" 35kg Low Profile Full Wall Plate with Tilt TV Bracket 04MM-TB06LP

For the Best

The 04MM-TB06LP low profile TV flush and tilt mount bracket come with a super-low profile of only 20.5 mm. Used with the mounting arm accessories that go with it, it can be tilted -8 degrees if required. It features a full wall back plate to secure mounting over two studs for your peace of mind and can support TVs anywhere from 37 inches to 70 inches in size. It comes with a 35kg load rating that has been strength tested to a minimum of three times load capacity. Compatible with all standard VESA mounting patterns up to a maximum of 600x400.
