

43-90"* 75kg Full Wall Plate with Tilt TV Bracket O4MM-TB07

The O4MM-TB07 is an excellent choice for people who have large TVs that need mounting with tilt ability. The TB07 is an adjustable tilt wall mount allowing you to provide up to -10 to +10 degrees tilt adjustment by the easy-to-use built-in adjusting knobs. It features a full wall back plate to secure mounting over two studs for your peace of mind and can support TVs anywhere from 43 inches to 90 inches* in size. In addition, the TB07 features an impressive 75kg load rating that has been strength tested to a minimum of three times load capacity. Compatible with all standard VESA mounting patterns up to a maximum of 800x400.
