1 Way Outlet Plate with Floating Wall Clips
05MM-WP73

The 05MM-WP73 is a single outlet plate with integrated floating wall clips. The wall plate can be used to install TV, data, AV, and other suitable mechs to match your requirements. The WP73 is simple to use with its cut-out template provided and the smart folding wall clips to lock the unit in place for a quick and simple installation without the need for additional mounting accessories.

Features and Benefits

- Easy installation by preinstalled floating clips, no need for additional wall mounting accessories
- Single mech outlet, suited for TV, AV, data and other compatible mechs
- Designed for 70mm and 90mm wall cavities with cut-out template and instructions supplied
- Suitable for both residential and commercial use
- High-quality heat-resistant plastic with a gloss finish and removable cover plate for a neat installation
