

RCA Female to BNC Male Adaptor (10 Pack) 08MM-B4

The 08MM-B4 is a BNC male to RCA female adaptor, which adapts to any BNC female connector to an RCA female connection or vice versa. The B4 can adapt to bulkhead connectors and or cable ends to match the connectors needed to link. Some sources have BNC videos out, and the B4 will allow simple conversion to the more common RCA socket for connection.

Features and Benefits

- » Used to convert BNC female to any RCA composite video (yellow) or stereo audio (white and red)
- » BNC male with twist lock for durability and secure connection
- » No tools required
- » High-quality nickel-plated finish for long-life corrosion resistance
- » All metal construction for durability
