

# 'F' Type Nut with Washer (100 Pack) 08MM-FN

The 08MM-FN is a 3/8" UNEF thread nut and washer combination suited for use with both F813G and A5FNH 'F' female adaptors. In addition, the FN allows the 'F' female adaptors to be installed and secured into place in blank wall plates and bulkheads or patch panels where required.

## Features and Benefits

- » Suitable for use with 18MM-F813G adaptor and DA-A5FNH 'F' female adaptors
- » Used for a 3/8" UNEF thread
- » Used to secure 'F' female adaptors into wall plates and bulkheads or patch panels
