

RG59 IEC (PAL) Male Compression Connector (25 Pack) 08MM-HD59PM

The 08MM-HD59PM is a male compression connector professional IEC (PAL) for RG59 75 Ohm coaxial cables. The HD59PM is perfect for use in custom made cables for RF connections. Suitable for making fly leads for connection to tuners and TV RF ports. The HD59PM features an integrated centre pin and perfect sealing due to the compression technology, improving VSWR and providing excellent return loss from 30MHz to 1000MHz.

Features and Benefits

- » Professional grade compression IEC (PAL) male connector for RG59 75 Ohm cables
- » Used with Matchmaster compression tool (08MM-CT07)
- » Purple visible colour band to help distinguish connector type
- » Long-life, corrosion-proof body
- » Perfect for making high quality RG59 TV fly leads
