

RG6 PAL Male Compression Connector (25 Pack) 18MM-CX3PM

For the Best

The 18MM-CX3PM is a professional grade Cabelcon IEC (PAL) male compression connector for RG6 75 Ohm coaxial cables. The CX3PM is perfect for custom-made cables for RF connections. Suitable for making fly leads for connection to tuner and TV RF ports. The CX3PM features an integrated centre pin and perfect sealing due to the compression technology, improving VSWR and providing excellent return loss from 0.3MHz to 3000MHz.

Features and Benefits

- » Professional grade compression IEC (PAL) male connector for RG6 75 Ohm cables
- » Used with Matchmaster compression tool (08MM-CT07)
- » Type and stripping dimensions are stamped on the body for safe identification and measuring on location
- » Long-life, corrosion-proof body
- » Perfect for making high-quality RG6 fly leads
