

Connector RG6 Foxtel Approved 26MM-TRSF-6L

The 26MM-TRSF-6L is a Foxtel approved (F30574) compression connector for RG6 Quad-Shield and Tri-Shield cables. It is suitable for use in Domestic and Commercial Foxtel systems for both Satellite and TDT solutions and ideal for any terrestrial or CATV networks. TRSF-6L connectors also offer superior sealing protection through dual compression rings and dual O-rings. Designed for frequency range 5-3000MHz

Features and Benefits

- » Foxtel approved (F30574)
- » One-piece, all-metal design
- » Delivers supreme barriers against moisture intrusion without the need for an external grommet (i.e. weather seal)
- » Unique design requires little force to install
- » Dual compression rings provide 100% sealing protection on all approved cable types
- » Used with Matchmasters O8MM-CT04 and O8MM-CT07 compression tools
