‘F’ Male to IEC (PAL) Female Adaptor (5 Pack)

DA-A3E

The DA-A3E is a cost effective 5 pack of ‘F’ type male to IEC (PAL) female adaptors. The A3E adapts any ‘F’ type female connector to a PAL female connection. In addition, the A3E can adapt lead ends ready for connection to IEC (PAL) male receivers (tuners, FM 75 Ohm connections, etc.) or any other application where you need to convert an ‘F’ type female connector to a PAL female connection.

Features and Benefits

- Used to convert ‘F’ type female connectors to IEC (PAL) female
- No tools required
- High-quality nickel-plated finish for long-life corrosion resistance
- Comes in a cost effective 5 pack or 50 pack outer
