RG6 ‘F’ Type Twist On Connector (2 Pack)
DA-F6TH2

The DA-F6TH2 is a twin pack of ‘F’ type male twist-on connectors for RG6 75 Ohm coaxial cables. The DA-F6TH2 is perfect for use with Matchmaster’s 06MM-E6T and E6Q cables for making interconnecting cables or fly leads. No tools are required. Prepare your cable and screw the connector onto the cable. The DA-F6TH2 is the perfect low-cost connector to keep in your kit.
