

3GHz Outlet Skirting Plate DA-L735F3G

Matchmaster

For the Best

The DA-L735F3G is a fixed 'F' type female skirting mount TV outlet, featuring a Foxtel-approved connection, it is suitable for satellite, cable, and terrestrial TV signals. Designed for secure mounting to skirting boards, it provides a clean, professional finish when routing cables from under floors. The fully screened design ensures superior signal integrity by preventing unwanted interference, delivering optimal picture and sound quality.

Features and Benefits

- » Foxtel approved (F10124)
- » Skirting board compatible: Coaxial 'F' type connector designed for discreet underfloor cable terminations.
- » Compact design: Provides a clean, unobtrusive finish ideal for modern interiors.
- » 3GHz rated: Designed for terrestrial, satellite and cable TV.
- » Durable white casing: Blends seamlessly with skirting boards.
